

Public Space:

Does the public art belong to the community at large? Is it in an outdoor public space with equal access to all?

Community Service:

Does the volunteer work done by members of the community improve an under-utilized or neglected public area? Does the wider community benefit?

Art Reach Bahrain

Public Art

Project Criteria

Student Education:

Does the project teach youth the value of giving back to the community & involve students in the creative design & implementation of the project?

Sponsorship:

Will the sponsor fund public art for a location outside its own private or commercial development? Is the community art a gift to the public?
